

**HOLY CROSS HOSPITAL
DELINEATION OF PRIVILEGES AND CRITERIA**

PRACTICE AREA: **Psychology**

BASIC CRITERIA:

- X Relevant training or experience;
- X Valid license to practice Psychology in the State of New Mexico;
- X Shows evidence of continuing competency (including education); and,
- X Adequate professional liability insurance, as well as information on any past or pending professional liability or disciplinary actions.

BASIC EDUCATION: PhD or PsyD

MINIMAL FORMAL TRAINING: Successful completion of an APA - approved internship in clinical psychology.

REQUIRED PREVIOUS EXPERIENCE: The successful application must be able to demonstrate that he or she has provided inpatient, outpatient, or consultative services for at least 30 patients during the past 12 months.

REFERENCES: Three letters of reference must come from practitioners who have know the application for at least two (2) years and who are acquainted with his or her current professional status.

Reappointment. Reappointment should be based on unbiased, objective results of care according to the hospital=s existing quality assurance mechanisms. The applicant must prove that he or she has maintained competence by demonstrating that he or she has met the hospital=s minimum requirement for psychology privileges.

If you meet the criteria above, you may request privileges as specified below:

Privilege	Requested	Granted	Granted with Conditions
Core Privileges include being able to diagnose, provide treatment, and consult to patients above the age of 15 who suffer from mental, behavioral, or emotional disorders. Privileges can include biofeedback and hypnotherapy. These privileges do not include any special requests.			

I understand that in making this request, I am bound by the Medical Staff Bylaws of Holy Cross Hospital and the Hospital=s policies and procedures. I hereby stipulate that I meet the minimum threshold criteria for this request.
