

Physical Medicine and Rehabilitation

Basic Education: M.D. or D.O.

Minimal Formal Training: Successful completion of an ACGME or AOA-approved residency program in physical medicine or rehabilitation. Must be Board Eligible or Board Certified.

Required Previous Experience: Demonstration that inpatient services have been provided to at least 24 patients during the past 12 months.

Core Privileges: Ability to admit, work up, and provide non-surgical therapy to patients presenting with neuromuscular or musculoskeletal disorders, including provision of consultation. Privileges do not include the following: electrodiagnostic procedures, muscle biopsy, nerve blocks, motor point blocks.

Other privileges requested for which you have current clinical competency may be listed below. Documentation of training and/or experience must be provided for any special privileges requested. I understand that by making this request, I am bound by the applicable laws and policies of the Medical Center and hereby stipulate that I meet the minimum threshold criteria for this request.

I understand that it is my obligation to notify the President of the Medical Staff of any procedure or mode of medical care in which I might engage that is not listed. I certify to the best of my knowledge, I am qualified and have professional liability insurance coverage for practice within the scope of privileges requested.
