

Sedation (Non-anesthesiologist)

The Joint Commission on the Accreditation of Healthcare Organizations (JCAHO), working with the American Society of Anesthesiologists (ASA) has further described sedation into four levels – minimal, moderate, deep, and anesthesia. Medicare assesses facilities based on this definition as well.

Do you anticipate giving local anesthesia? Yes No

Do you anticipate administering your own sedation?

Requested privileges: Minimal Moderate Deep

Do you administer the requested level of sedation at other local facilities Yes No

Name of Local Facility _____ Recommended contact at Facility for verification of Clinical Privileges for sedation

Name _____ Phone _____

REQUEST FOR PRIVILEGES FOR LEVELS OF SEDATION (NON-ANESTHESIOLOGIST)

 Training Course Certification, or
 I certify that I am familiar with the actions, potency, side effects, dosages, and contraindications of drugs used for IV Conscious Sedation.
4. Last education/seminar re: Sedation/Anesthesia
Comments: _____

I understand privileges granted for sedation by non-anesthesiologists will require an immediate pre-induction anesthesia assessment of the patient the day of the procedure. Acknowledging the patient right to be informed of risks, benefits and alternatives, I will also be expected to obtain informed consent for each patient that I provide sedation.
