## CONFIDENTIALITY STATEMENT

I, \_\_\_\_\_, understand that in performance of my duties at Artesia General Hospital, I am required to have access to and am involved in the processing of patient care data. I understand that I am obligated to maintain the confidentiality of these data at all times, both at work and off duty. I understand that a violation of these confidentiality considerations may result in disciplinary action, including termination. I further understand that I could be subject to legal action. I agree to comply with information security policies for Artesia General Hospital concerning the privacy and confidentiality consideration of patient care.

## PHYSICIAN'S ACKNOWLEDGEMENT STATEMENT

The Centers for Medicare & Medicaid Services (CMS) requires hospitals to obtain a signed ***Physician's Acknowledgement Statement*** from any physician who is being granted admitting privileges at that Hospital.

Your signature acknowledges that you have received the following notice [42 CFR 41246 (b)]:

*Notice to Physicians: Medicare payment to hospitals is based in part on each patient's principal and secondary diagnosis, and the major procedure performed on the patient, as attested to by the patient's attending physician by virtue of his or her signature in the medical record. Anyone who misrepresents, falsifies, or conceals essential information required for payment of federal funds, may be subject to fine, imprisonment, or civil penalty under applicable federal laws.*
