

WEST JEFFERSON MEDICAL CENTER
Marrero, Louisiana
PRIVILEGES REQUEST FORM FOR ALLERGY AND IMMUNOLOGY

Minimum Threshold Criteria

To be eligible to use this form to request clinical privileges, the following minimum threshold criteria must be met.

1. *Basic education:* M.D. or D.O.
2. *Minimal formal training:* Successful completion of an approved residency training program in internal medicine or pediatrics followed by at least two years of approved residency or fellowship in allergy and immunology or completion of an approved residency program in internal medicine, pediatrics, or family practice providing that such residency included a minimum of six month's training in pediatric and adult allergy and immunology.
3. *Required previous experience:* For individuals who have completed an approved residency/fellowship program in allergy and immunology, applicants must be able to demonstrate that they have provided service to at least 12 patients during the past 12 months. References will be required from a board certified allergist, internist, pediatrician, or family physician.

For individuals who have not completed at least two years of residency or fellowship in allergy and immunology, applicants must demonstrate that they have provided in-hospital services to at least 50 patients presenting with allergy or immunology conditions over the past three years. References must be obtained from a board certified allergist, internist, pediatrician or family physician.

Core Privileges

Privileges include being able to admit, work up, and provide nonsurgical therapy to patients presenting with allergic or immunology conditions, including the provision of consultation.

I understand that in making this request, I am bound by West Jefferson Medical Center's applicable bylaws and policies. I hereby stipulate that I meet the threshold criteria for each request.
