

WEST JEFFERSON MEDICAL CENTER
Marrero, Louisiana
PRIVILEGES REQUEST FORM FOR GYNECOLOGY

Minimum Threshold Criteria

To be eligible to use this form to request clinical privileges, the following minimum threshold criteria must be met.

1. *Basic education:* M.D. or D.O.
2. *Minimal formal training:* Successful completion of an approved residency training program in obstetrics and gynecology.
3. *Required previous experience:* The successful applicant must be able to demonstrate that he or she has performed at least 50 gynecological surgical procedures in the past 24 months.

Note: A letter of reference must come from the residency director or chief of obstetrics and gynecology from another hospital where applicant has been affiliated for the last two years. Two others must come from an anesthesiologist and primary care physician who have known the applicant at least two years and are acquainted with the applicant's current professional status, medical practice, and involvement in the field of gynecology.

Core Privileges

Privileges include admission, work up, consultation, diagnosis, and pre-, intra-, and postoperative care necessary to correct or treat female patients of all ages presenting with illnesses, injuries, and disorders of the gynecologic system and nonsurgical treatment of illnesses and injuries of the mammary glands and urinary tract. These privileges do not include any special requests.

For each special request, threshold criteria will be established. Special requests for obstetrics and gynecology include:

- use of the laser
- surgical treatment of conditions or diseases of the mammary glands
- transcervical balloon tuboplasty
- vulvectomy, radical
- ureteral transplant
- skin grafting
- insertion of radium applicator, cervix
- insertion of radium applicator, endometrium or vagina
- node dissections – superficial inguinal, pelvic
- node dissections – superficial inguinal, paraortic
